

## EVESHAM TOWN COUNCIL

**TOWN COUNCIL meeting 13<sup>TH</sup> FEBRUARY 2023 at 6.30pm in the Council Chamber at the Town Hall**

### **CCTV in the Town Hall**

Following a break in at the Town Hall a domestic CCTV system was installed into the bar/hall. There have been some anecdotal reports of smoking in the hall and bags of rubbish being left which is against our Town Hall Ts & Cs. Bouncy Castles are also being used. Without accurate CCTV there is no way of proving if any of this is going on.

It transpires that the domestic CCTV is not adequate for the town hall therefore quotes for a more suitable commercial system have been obtained.
